Bill Scott, MP says:

All parties want raises

Don't be fooled by any political party which says it doesn't want a pay raise for its M.P.'s. All parties want the raise according to Bill Scott M.P. for Victoria-Haliburton who addressed the Rotary Club of Haliburton last Thursday night.

In discussing the proposed pay raise Mr. Scott told the gathering that being an M.P. costs a lot of money and that it is a very demanding job for seven days a week. He pointed out that an M.P. is asked to give a donation to practically everything and that people don't take into consideration the fact that he has to keep an office up and pay for a hotel room all the time he is in Ottawa.

While discussing the pros and cons of the proposed pay raise he stated that a 50 per cent hike is a little high, but that a raise is needed if the MP's in Ottawa are to keep up with today's prices.

During a question and answer period which followed Mr Scott ably fielded questions on the following subjects: inflation, capital punishment, immigration, profit sharing, welfare, subsidies and many other topics.

When asked who he thought would be the new leader of his party the speaker mentioned the following names, Allan Lawrence, Claude Wagner, Premier Lougheed of Alberta, Hewort Grafferty, and Eldon Wooliams.

When asked the question what he thought was the biggest single problem facing the government today Mr. Scott replied, "inflation"

The Rotary Club were very pleased to have Mr. Scott speak to them and all the members were quite taken with the friendly manner in which he discussed the problems of the day.

Reg Booth elected Haliburton warden

Veteran County Councillor Reg Booth, Reeve of Anson Hindon and Minden, was unanimous choice of Haliburton County Council Tuesday afternoon as its Warden for 1975. The occasion was councils inaugural meeting attended by county dignataries and other visitors. The new warden who is very active in community affairs resides in Minden.

REG. BOOTH

At the inaugural session invocation was given by the Rev. Douglas Brown of St. Paul's Anglican Church, Minden and robing of the new warden was done by past warden Murray Fearrey.

Brief congratulatory messages were presented by a number of guests including Bill Scott, MP, Victoria-Haliburton and Don White, Minden District Manager Ministry of Natural Resources.

Tractor--trailer accident causes $10,000 damage

An estimated $10,000 damage was done to a tractor-trailer fuel oil unit when it was in collision with a passenger car near Moore's Falls early Thursday evening. The car was a write-off and its driver is in Minden Red Cross Hospital.

Mrs Barbara Anne Kemp, 50, of Apsley, was driving south on Highway 35 around 7:50 p.m. when the accident happened. Although police have not been able to talk with Mrs Kemp yet, the investigating officer said it would appear her vehicle had gone out of control on a slippery corner and slid sideways into the oil truck. Both vehicles stayed on the highway, each ripping out guide rails on their respective sides of the highway.

Mrs Kemp is being treated for back injuries, a broken shoulder, head injuries including lacerations and possible concussion.

Driver of the oil truck was George Heenan, 50, of Cobourg who emerged from the pileup with nothing more than a shaking up.

Constable Bill Devereaux of Minden OPP detachment was assigned to the accident.

Correction

In a front page story in last weeks Echo we were in error on a heading over one of the write-ups. The heading read Man Charged With Rape. It should have read Man Charged With Attempted Rape. We are sorry that this mistake was made.

This year the Rotary Club of Haliburton is also offering girls who do not attend the secondary school the opportunity to participate in the Haliburton Winter Carnival Queen Contest. Any young lady who wishes to participate should submit an entry form no later than January 28, 1975, to Mr. J. Douglas Hodgson, Box 507, Haliburton, Ontario. See entry form on inside page of this week's issue. Pictured above are the 1974 Queen and princesses. Kashagawigamog atom tourney will be one of biggest ever

One of the biggest hockey tournaments to be ever held in Haliburton County is on this weekend at the Haliburton Arena when the Lake Kashagawigamog Tourist Association in conjunction with the Haliburton Minor Hockey Association will be presenting the Kashagawigamog Atom Tournament.

What a weekend it plans to be as hundreds of hockey players along with many adults will be making their way to Haliburton for this gigantic Atom hockey tournament.

We have just received word that all the resorts which are open for winter business on Lake Kashagawigamog are booked to capacity and the motels in the village of Haliburton are also expected to be booked solid.

The big event gets underway at 1:00 p.m. this Friday afternoon January 24 and will run right through until 5:00 p.m. on Sunday, January 26 when the champions will be declared.

Sixteen teams from all sections of Ontario will take part in the tournament which will be broken up into two categories A and B. Eight teams will compete in each category. There will be a championship round and consolation round in each category.

Teams will be competing from Willowdale, Downsview, West Hill, Schomberg, Oak Ridges, Bolton, Bancroft, Bobcaygeon, Georgetown, Haliburton, Peterborough, Keswick and four teams will be coming from Toronto.

Special events chairman Art Ward and his assistant Bill Paul will be in charge of other entertainment for the boys and parents coming to this event. From the number of events lined up these two boys have certainly done their homework. On Friday there will be movies and pop for kids and a get-acquainted bar at the curling club. On Saturday the boys will be admitted free to the Huskies game in the evening. There will be a parents dance this same evening in the Arena Auditorium. Ten teams will be housed and fed at the Haliburton Highlands Secondary School.

To operate a tournament of this size it takes a lot of hard work and a lot of manpower. Here is a list of some of the men who will be taking part and what they will be doing.

Bob Stinson, Co-ordinator, Len Salvatori, Tournament chairman, John Rouble, Officials and Billetting, Ken Jackson, Chef, Dennis Casey, Programme, Jim Potter, Registrar, Jon Teljar, Statistician, Ron Tyler, equipment, Art Ward, Special Events and Bob Nichol, Treasurer.

So there you have it Haliburton County's biggest hockey tournament to be held at the Haliburton Arena this weekend Friday, January 24 to Sunday, January 26. Admission $2.00 for full tournament, 75c single admission and 50c for children.

If you want to see hockey action at its best be at the Haliburton Arena this weekend and meet the many visitors who will be with us. Let us show some of this great Haliburton Highlands hospitality and make them feel at home.

Snowmobile club given $17,500

The Haliburton County Snowmobile Association received some very welcome news last week when they learned that they would be receiving a $17,500.00 grant from the Provincial Government.

This money is to be used for the grooming and maintenance of trails only.

The Haliburton County Snowmobile Association at the present time have four complete grooming units, two new and two used. Eight people other than the directors will not be employed to operate the grooming machines. This will mean two men on each unit.

This grant money is being distributed through the offices of Natural Resources at Minden and Bancroft to the local Snowmobile Association. $15,000 from the Minden office and $2,500 from the Bancroft office.

Benefit dance is planned

A benefit dance is being planned for Bill Mackie and his family whose home and all their belongings were destroyed by fire near Haliburton recently. They lost everything in this unfortunate fire.

The dance is scheduled for the Canadian Legion Auditorium in Haliburton on Friday evening, January 31 from 9:00 p.m. to 1:00 a.m. There will be refreshments and lunch plus a bar. Admission is $1.50 per person.

Music for the dance will be supplied by "Summer Fantasy".

This Benefit is being sponsored by the Royal Canadian Legion Branch 129 and Summer Fantasy.

Keep this date in mind and come out to this benefit dance and help to support this worthy cause.

Local merchants tell us that the sale of Snowmobile suits is down mainly because we just haven't had enough snow.

Along the Trails
By Roy Bates

The lakes are getting better. Cold weather this week has put ice on them making most lakes safe to ride. But be careful. There is a greater flow of water than is usual for the time of year. Inlets and outlets may remain treacherous and narrow channels are always to be considered a danger point. Assume that any ice surface is unsafe until you have checked it out for yourself, on unless there is an established and well-beaten track upon it.

The Haliburton County Snowmobile Association has mapped out approximately two hundred miles of overland trails for immediate attention. Work crews will underbrush, widen, erect trail markers and build bridges. As each section is brought up to standard, grooming will follow. That's right, the Ministry of Natural Resources has given us a green light!

We checked out the Lipsy Lake trail last Sundav and found it unsuitable for Snowerama. We hope it will be cleared of windfalls and underbrush, but being a lake route, it cannot be included in a funded project. We must again resort to volunteer labour. Snowerama will run as originally planned, via Fort Irwin and Drag Lake. Some excess milage has been shaved from the Minden end of the loop, keeping the ride within the hundred miles. All sections will be thoroughly checked for safety before February 2.

Director Brian Hunter is the HCSA Historian. He is busy compiling material to fill an interesting scrapbook. He wants color photos. They need not necessarily be of Association people or Association activities. Any pictures which depict the pleasures of snowmobiling or the many spectacular sights along the trails will be suitable. Enclose a description of each shot and the donor's name and address. Mail to Box 151, Haliburton.

One more plea for black and white photos or snaps for this column.

Our cheque was mailed out to cover membership in the Ontario Federation of Snowmobile Clubs. The cost of affiliation with this parent organization is two dollars per member. Well worth it, I think, when you consider that the Federation provides our link - and a good one - with Queen's Park. Our 1975 roster rounded out to an even 200.

This does not mean that we will stop selling memberships. Our aim for the season was to reach 400. It still is! Five dollars will get your family on the list. Our address is still Box 151.

The Association's fourth Alpine was delivered this week. Let's have some snow so these machines can get to work.

Ride carefully. You know about the lakes. Also remember that the shortage of snow means rocks and stumps are not adequately covered. Protect your eyes from underbrush and hanging branches with goggles or a face shield. We're coming into the coldest season. Take along your mask or balaclava. Frost bite hurts.

Monarchs are on march for playoff booth

The Minden Monarchs are lending credibility to the belief that they are going to make the Intermediate C playoffs.

Six of the seven teams in the league will qualify for post-season competition and the Monarchs, with two wins and a tie, in their last three games, are only two points out of the last playoff spot, currently held by Schomberg.

Minden started 1975 off with a 4-3 decision over Schomberg, then followed with a 6-4 victory over Fenelon Falls and a 2-2 tie in Bradford.

In the Fenelon victory, the Monarchs built up a 6-0 lead over three periods before Fenelon hit the score sheet.

Scoring for Minden before over 500 home town fans were Mike Jackson, Larry Sawyer, Doug Ray, Mike McElwain, Jeff Campbell and Sherdon Kellett. This was an impressive victory as Fenelon sports a strong team, one that is challenging for the league lead.

Bradford is another team shooting for top spot and they can proudly boast of beating Fenelon, Penetang and Bracebridge, in succession, which certainly isn't an idle task. Therefore, the Monarchs 2-2 tie with Bradford was a very important game. Perhaps Bradford figured Minden would be pushovers, as was the case in their earlier meetings, but the Monarchs desire and momentum equalled Bradford's, and, if not for the last minute, would have bested their hosts dreams of first place.

Bradford opened the scoring at 4:08 of the first period but Larry Sawyer knotted the count at 10:38 of the second on a power play tally. Mike Jackson put Minden one goal up at 10:12 of the third period only to have Bradford score the equalizer with just one minute and three seconds left in the game. Larry Hartin rated first star in this game as he nullified numerous Bradford chances with a superb display of puck stopping wizardry.

The Monarchs next game is at home this Thursday January 23 at 8:45 pm as Elmvale supplies the opposition. Friday night, the Monarchs travel to King City to do battle with the Schomberg Kings, in a must game for both clubs.

Don't forget Minden Kinsmen Winter Carnival hockey action Jan. 30 and 31 in Minden.

Thursday, Jan. 30th the Monarchs host Schomberg in their final scheduled meeting, and the following night are at home to Elmvale. Both games start at 8:45 pm in the Minden arena.

Wilberforce hockey

This was a week of real good hockey.

The scores of our games were as follows:

Jan. 14 - Midgets were scheduled to play Minden in Wilberforce but Minden was unable to come.

Jan. 17 - Bantams played against Minden in Wilberforce with a score of 6-2 for Wilberforce.

Jan. 18 - Bantams against Haliburton in Haliburton with a score of 8-0 for Wilberforce.

The Bantam stars this week were Terry Godfrey, Doug Tallman and Scott Barras.

Jan. 17 - Pee Wees against Minden in Wilberforce with a score of 7-3 for Wilberforce.

Jan. 19 - Pee Wees against Minden in Minden with a score of 2-2.

The Pee Wee stars this week were Robert Scott, Butch Menarie and Lyle MacDuff.

Jan. 13 - Atoms against Haliburton in Wilberforce with a score of 4-2 for Wilberforce.

The Atom stars this week were Freddie Agnew, Brian Bell and Philip Whitefield.

Jan. 18 - Novice against Haliburton in Haliburton with a score of 3-2 for Haliburton.

The Novice stars this week were Kenny Coumbs, Tyler Bousfield and Terry Stoughton.

This is Minor Hockey Week in Canada. The slogan the Canadian Amateur Hockey Association is using is "make hockey fun for them".

One good way this slogan can be effective is for all parents to accompany their boy to the arena. Another way is for all coaches, players and fans to really practice good sportsmanship.

In Skyline bonspiel

Three Haliburton rinks win prizes

Starting last Friday at 4 pm and ending Sunday at 6 pm the 16th annual "Skyline" Bonspiel provided some of the finest curling competition seen in Haliburton for many years.

The "A" event final went into an extra end before Bob Timbers of Uxbridge defeated Paul Welsh of Richmond Hill. The winner took the Haliburton Lumber Trophy which had been won the past two years by John Piper of Oshawa who finished third with Bev Smith of Oshawa Club fourth.

In the "B" event another close battle ended by Tim Brethour of Uxbridge defeating Len McMullen of Fenelon Falls to take the Curry Motors Trophy. Haliburton's Walter Webb rink skipped by Ron Barr defeated McMullen in the first game, but then the former Unionville skip went undefeated till the final. Another Haliburton rink skipped by Joe Iles was fourth in this event.

The "C" Event saw Dave Bishop's rink win out to take the Giles Connelly "Esso" Trophy - which was originally donated by Lloyd Moore. Mike McKay of Oshawa was second and another local rink skipped by Clark Bailey took fourth spot.

For three Haliburton Club rinks to end up in the prizes is just an indication of the quality of our curlers. Thirty-two rinks started out Friday and by Sunday semi-finals and finals the cream came to the top.

While all this was happening at home Bob Colliver's rink of Bob, Bob Houston, Bill Johnson and Bill Everson were playing at Peterbourough in the District Consols play-down, and went to the fourth 12-end game before elimination - a fine showing.

The Reeve's Corner

By Reg Booth

During 1974 the Council of Anson, Hindon and Minden held 21 council meetings. In additon your representatives attended many committee meetings.

The year ahead, (1975) promises to be a busy one, with many problems of finance and progress to be decided.

On Tuesday, January 14 the Recreation Committee held the first meeting to name officers, (Norm Harrison, chairman, and Lloyd Harrison, Vice Chairman) for 1975. Committees were formed, and a program of activities for recreation was initiated.

Because of the work load, and some urgent matters, a second council meeting was called for Friday, January 17 at 7:30 PM in the council chambers. All members were present with Mr Earl Hewitt, and Mr Earl Kent of the roads department also present. The minutes of this meeting will be published in the local newspapers.

The inaugural meeting of the County Council for the Provisional County of Haliburton will be held on Tuesday, January 21 at 2:00 P.M. This meeting will continue on Wednesday, January 22 at 10:00 a.m. At this meeting the various committees and appointments to boards will be of first importance.

Editorials

Snowmobile business has large impact on economy of county

We often wonder how many people in Haliburton County really know the impact of the business brought in by the people who snowmobile. Just stop and think for a moment about all the money spent here in the County which comes directly from snowmobilers and the great effect it has on the economy.

It's very easy for all those who do not snowmobile to sit back and cry out that snowmobiles should be banned. They are just trying to deprive the people who snowmobile from one of their winter pleasures.

Many of these same people have made their money or are drawing big fat pensions and couldn't care less about the rest of the people whether they live or starve to death.

The winter sport of snowmobiling is a lot of fun and it is the main reason why the Highlands of Haliburton is starting to thrive more during the winter months. People who own cottages and in the past have only been able to use them for three or four months in the summer can now come back to snowmobile and keep them open for twelve months of the year. These are the same people who are coming back spending thousands of dollars here with every business place in the county. It is also helping to keep the local contractors and their employees busy most of the year.

Is the snowmobile a big boost to our economy, you bet your life it is.

We would like to see a survey taken in the very near future with every local business to point out the increase in business now over the time when snowmobiles were not around.

It's time that we all started to think snow and thank our lucky stars for the invention of the snowmobile machine.

Now is the time to advertise in the County Echo

Some of the business people in Haliburton County often wonder when is the best time to advertise in the local newspaper.

Many of these merchants seem to have the opinion that they should be doing their big share of advertising in the late spring and through the summer months when business is really booming. Here is where they make their mistake.

It is our opinion that they should be spending these advertising dollars during the winter months when business at times is very slow. This is the time of year that they should be pushing for more sales and this can be accomplished by a bigger advertising campaign.

Some local stores at the present time are running sales with reduced prices on many articles in an effort to reduce their stock. This is wise thinking, but you must let the public know that your sale is on. Don't keep it a secret. Let everyone know about it.

One of the best ways to get more business particularly at this time of year is to run ads in the Haliburton County Echo the paper with a circulation of 3,600 and which is read by more than 14,000 people every week.

If you are looking for results and more money in your pocket advertise with us. You'll be glad you did. It pays to advertise, especially in the Haliburton County Echo.

Letter to the editor

Dear Editor:

It is always a rewarding experience and delight to find oneself among friendly and interesting people. I quickly concluded, during my recent and happy visit to your area, these are everyday characteristics to be found among Haliburtons in their enjoyment of life.

Please allow me to express my full appreciation through your paper to everyone who made the two days so worthwhile and such a pleasure. Lest some are left unmentioned I shall not list the many kind individual courtesies but wish to thank the Rotary Club, church groups, student body and staff of Haliburton High and the many sponsors of needy children in our world-wide program.

The enthusiasm and delight of so many sponsor with the "person-to-person" contact with their child, among the 180,000 in 60 countries whom we assist in orphanages, school projects, special blind and crippled children's homes etc, was really encouraging.

For those who have seen the hungry and destitute, as I have, it is shattering to come up against a shocking and selfish disregard for desperately deprived and needy children by persons who are blessed with so much. It was a real joy to meet so many on my visit who are helping to give new life, opportunity and hope to so many unfortunate kiddies. Of interest to your readers will be our yearly audited statement, released since my visit, showing total operating administrative costs are only 8.3 per cent, reportedly the lowest for all the major child assistance agencies.

Again, thanks to everyone involved for a happy experience. The personal notes and letters received since are greatly appreciated.

The New Leaf

He came to my desk with quivering lip
The lesson was done.
"Dear teacher, I want a new leaf," he said,
"I have spoiled this one."
I took the old leaf, stained and blotted,
And into his sad eyes smiled:
"Do better now, my child!"

I went to the Throne with a quivering soul -
The old year was done.
"Dear Father, hast Thou a new leaf for me?
I have spoiled this one."
He took the old leaf, stained and blotted,
And gave me a new one, all unspotted,
And gave me a new one, all unspotted,
And into my sad eyes smiled:
"Do better now, my child!"

Accident prevention

Snowmobile accident prevention is an important subject for every conscientious snowmobiler. Although not a very cheerful subject, much can be learned by studying when, how and why many accidents occur.

Last year about 75 per cent of all accidents in Ontario happened after dark. The Ontario Motor League suggests two precautions for after-dark operation.

Unless you are travelling in an area you know well, it is wise to keep to well-used snowmobile trails. Open fields have appeal but fences, strands of barbed wire and hidden objects are almost impossible to see at night.

The second defense against a night accident is slower speed especially when opening a new trail.

The "standing" position had contributed to a number of head and facial injuries. Frequently, the standing driver has been thrown forward into the handle bars when a snowmobile strikes a rut, hidden rock or snow-covered fallen tree trunk. Unless you are an experienced operator it is adviseable to use the sitting position.

Many head injuries can be prevented by wearing a safety helmet large enough to be fitted over thermal head gear.

Minden News

The Firemen and Ambulance Drivers in our village number 20. Last year they had 39 fire calls, but note this – 324 Ambulance Calls, many of these to accidents.

Mr and Mrs J. Gentle and family of Toronto enjoyed a weekend with her mother Mrs N. Leigh.

Mrs Harry Welch left last week for a visit with her son Gerald in Florida.

Weekend guests with the Ern Hewitts included Fred, Neil and Foster all of Toronto.

At the weekly Mini Card Party at the Parish Hall last Thursday afternoon winners were for bridge Walter Noice, for cribbage Joyce Hewitt (perfect score) and Cora Hewitt and for euchre Vera Fuller and Florence Robinson.

Persons in hospital include George Canderson at Civic Hospital Peterborough and Robert Kernohan and Mrs W. Walker at the local hospital.

Stanhope Council meets

The Inaugural Meeting of the Township of Stanhope Council was held January 13, 1975 with all elected members, namely, Sinc. Nesbitt, Reeve; James Harrison, Deputy-reeve; and Councillors Harry Davis, B. Napier Simpson and John Tomlinson in attendance and taking the statutory declaration of office and Oath of Allegiance.

The meeting was opened with the followin prayer by Ken Whitney:
Father -
We ask for your blessings for this Council for the year of 1975,
We ask for divine direction in their thinking -
Divine Direction in their plans and preparations
Divine Direction in their Human Relations;
Divine Direction for sound decisions for the highest good of all.
We ask Faher that this year 1975 shall be a year in which things flow smoothly and happily. A year in which much good is accomplished by this council. Amen.

The Reeve expressed sincere appreciation to Mr. Whitney for his acceptance of the invitation to participate in the opening ceremonies of the inaugural meeting and also for the contribution he had made to the Township of Stanhope during his five years as councillor. In his address to council members, the Reeve indicated that with the co-operation of members and unity within council as a whole, Stanhope Township would continue to progress during the next two years which he felt would be a very critical period of time for local government in Haliburton County.

Moved by Jim Harrison seconded by Harry Davis Be it resolved the minutes of the regular meeting held December 11, 1974 be adopted as circulated. Carried.

Moved by John Tomlinson seconded by Harry Davis Be it resolved that council adopt and approve the by-law governing the Haliburton Stanhope Municipal Airport as amended by council at the regular meeting held January 13, 1975. The by-law described as Schedule "A" is attached to the minutes of the council meeting. Carried.

Moved by Harry Davis seconded by B. Napier Simpson Be it resolved that the Council of the Township of Stanhope authorize a payment of $200.00 in support of the 1975 Minden Carnival. Carried.

Moved by Harry Davis seconded by B. Napier Simpson Be it resolved the clerk advise Campbell, Godfrey and Lewtas, Barristers and Solicitors for the Township of Stanhope, that facts contained within the Statement of Claim between the Corporation of the Township of Stanhope, Plaintiff and Elmar Hodsoll and Charles and Mary Roberts, Defendants appear to be in order and would suggest that proceedings be continued. Carried.

Moved by B. Napier Simpson seconded by John Tomlinson Be it resolved the Reeve and Clerk are hereby authorized to sign the amended agreement with the Victorian Order of Nurses. This agreement reflects the increase in rates on a per visit basis by the V.O.N. Carried.

Moved by Jim Harrison seconded by B. Napier Simpson Be it resolved that council acknowledge receipt of a letter from the Ministry of Transportation and Communications regarding the intersection of St. Peter's Road and Highway 530 and advise that Council is in agreement with the content of the letter and would suggest that a survey of the required property be commenced as soon as possible. Carried.

Halls Lake news

Mr and Mrs Don Hall of Burlington are staying at their cottage for a few days; having built on a most attractive Family Room with huge fireplace they are comfortable even when the cold northwind blows.

Mr and Mrs Dale MacDonald travelled to visit their daughter and son in Burlington last Wednesday and found driving home over the Vankoughnett Road that evening rather treacherous with patches of ice.

Without fresh snow to replace what disappeared with the mild spell and rain we've been having, the snowmobilers didn't arrive in such numbers this weekend. However, today it is starting and it is hard to say if our winter isn't just beginning.

A very elegant formal dinner party was held at Hyland Crest Home for the residents and a few couples connected with the auxiliary went along to help serve and enjoy the evening as well. The auditorium was beautifully set up with tables for four in caboret style complete with candles in bowls and a single rose bud on a white cloth. A fowl dinner was featured complete with salad and rolls and parfait. Following the dinner Mrs Grace Coburn sang several numbers accompanied by Mrs Clarke at the piano. Mr Al Rawlins and his wife sang solo and duet numbers, and Mr Albert Hart and Mr Sinclair Russell entertained at the piano and violin and banjo. Mr Bob Schroter, a resident of the home, also played his violin and it was good to hear this lively music. The ladies all looked so beautiful in their gowns, many of them long evening gowns, some with attractive shorter gowns, and all with their favourite pieces of jewellry or corsages and their hair nicely arranged. The men were neatly dressed and the whole affair was very special -- just another of the lovely ideas to make the home a place to be lived in and enjoyed by as many residents as care to take part. Coloured slides of various outings and participation in Carnivals and picnics and outside tea parties right on the grounds of the Home were also shown and most of the Seniors stayed right with the party until it was graciously signed off by Mrs Bursey and Mrs Rawlins.

A week ago Sunday, due to a breakdown in the furnace at St. Stephen's Church, church service at 3 pm was held at the Home of Bil and Althea Gartshore. Mr Lloyd Johnson, Layreader, conducted the service and Mrs Gartshore played the hymns on her lovely electric organ. The usual number of people were in attendance and this was typical of a country get-together in time of an emergency or break-down in equipment.

Mrs Helen Brown entertained at Sunday dinner with several neighbours and her sister as guests.

Mr and Mrs William Mole have left for their holiday in Florida, and also Mr and Mrs Keith Levitt.

A few brave fishermen have been seen on Hall's Lake but it doesn't look very safe yet. Some skaters near the shore have also been seen.

Obituary

Closs Barton

Closs Barton entered into rest at the Red Cross Hosptial Minden on Thursday, November 14, 1974 in his 52nd year.

He was born in Minden in 1923, the youngest son of Pearl (McKelvey) and Charlie Barton and lived here all his life.

When he was four years old his mother passed away, leaving him and two other boys, ages seven and ten. He lived his first few years after his mother's death with his grandmother and grandfather, Mr and Mrs George McKelvey. He later returned home to live with his father and two brothers.

In November 1962 his father passed away leaving him alone until his death on November 14, 1974.

Left to mourn the loss of a loving brother are Kenneth of Oakville and Lawerence of Sault Ste. Marie.

The late Closs Barton rested at the John Welch and Son Funeral Home Minden, until Saturday November 16, for service at ten o'clock. The funeral service was conducted by the Rev. J. Bushel of Minden. Interment was in the Minden Cemetery.

The Pallbearers were five cousins and a friend, namely Max, Dan and Edward McKelvey, Keith Barton, Ran Harrison and Lyle Reynolds.

The numerous floral tributes showed the esteem in which the deceased was held.

Gems of Truth

THE KINGDOM

"Where is He that is born King of the Jews? for we have seen His star in the east and are come to worship Him". (Matthew 2:2) How and where these inquirers gained the knowledge about the King born in Bethlehem is not revealed in the Record. What matters that? The fact is that they possessed it, and that is enough.

The Lord Jesus had been prophesied to be born the "Ruler of the Jews". (Micah 5:2) and was finally crucified as "King of the Jews". (John 19:19) John the Baptist had spent his ministry to Jehovah God in presenting Jesus to Israel as their King, proclaiming that the long-awaited Kingdom had drawn near. (Matthew 3:2). When Jesus entered His public ministry He taught the same truth (Chapter 4:17) and produced His credentials by miracle performing powers of the Kingdom and His Messiah-ship. He was indeed the (**"King of the Jews"**]. Any honest student of the Scriptures can not doubt this fact. But then, Christ has never yet been the "King of the Jews".

What shall we say to these things? Were the prophets wrong? Were the Wise Men from the East and John the Baptist in error, proclaiming empty dreams? Was Jesus Himself deceived and mistaken? Far be the thought!

The question is answered for us in Scripture as we carefully observe all that is revealed therein. In His first coming, Christ was a minister unto or of the circumcision – to confirm the promises made unto the fathers (Jewish). (Romans 15:8) His mission was a Jewish mission; His life was lived under the Law of Moses and His ministry consisted chiefly in preaching the Gospel (good news) of the Kingdom. It was not the Gospel of grace and salvation as is unfolded to us since His death and resurrection as revealed in the New Testament Epistles.

This is why He told His disciples to "go not into the way of the Gentiles"; but to go to "the lost sheep of the House of Israel". (Matthew 10:5-6) The Kingdom which had drawn near was Israelitish and Messianic and therefore it was for Israel first of all. Had Israel received Christ as their King, the Kingdom would have been set up and the Gentiles would have become the beneficiaries of the Kingdom as the prophets of old predicted.

This aspect of Christ's life and ministry continued up to the time when the Jewish people cried "Away with Him, away with Him, crucify Him" and "We have no King but Caesar" (John 19:14-15) When thereupon they sent Jesus Christ to the Cross, instead of acknowledging His right to the throne and crown, the Kingdom lay in rejection. By this rejection of their King, their Heaven-appointed King, the Kingdom was not established at that time.

Israel as a nation was soon dispersed to the ends of the world, where the descendants of Abraham their father have been fearfully treated yet not annihilated. Jehovah, their God, however foretold of a day when He will regather them. Such is the beginning of His promises to Israel and the national is in our midst once more. But the throne is still empty. The day of Glory has not yet arrived.

Not until the "Gospel of Grace" to all men has gathered to the full, both of Jew and Gentile, for the King a Bride, will He return and then establish the Kingdom. To this end the so-called "Lord's prayer" gives ample evidence. "Thy Kingdom come" will be literally fulfilled and "Jesus shall reign where'er the sun Does His successive journeys run;
His Kingdom stretch from shore to shore,
Till moons shall wax and wane no more."

Answer to last weeks Bible quiz

I'm sure that some of you will be suprised to know, that only two of the thirty quotations are from the Bible. I will let you look up the answers for yourself. They are found in Job 19:20; Proverbs 9:17.

This little test shows that many of the statements that you have heard all of your life, that you thought were in the Bible, are not.

QUESTION:

Which book in the Bible does not contain the word God? Answer next week.

Snowmobilers look out for fences and wires

A wire fence is probably the deadliest hazard a snowmobiler will ever encounter. Fences and guy wires take a serious toll of injuries every winter. Don't ever run into a wire of any kind.

A dull gray afternoon, or a little blowing snow, will make a single strand of barbed wire impossible to see.

Make a point of checking this next time you are out on a day without sun.

Last year about 35 snowmobilers were killed and scores more were injured across the snowbelt of Canada and the United States because they had not taken time to notice this not-amazing phenomenon.

Snowmobiles have run into farm fences, chicken fencing, and even heavy woven wire fence, which one would think is quite easy to see. Apparently it isn't.

There's one noteworthy thing. Collisions with fences seldom occur when the visibility is good. So remember to make sure your reactions change as the light and visibility diminish on a winter afternoon.

Visibility is probably at its worst on a windy winter's day just before dusk.

This aspect of snowmobiling brings many questions:

*** are the guy wires or cables used on telephone or power line poles supposed to have visible guards? I ran into a guy wire that was bare. Who is liable?**

* There are municipal bylaws in some areas requiring metal or wooden guards on guy wires supporting service poles. But none in others.

It's a jungle of inconsistency. If anybody is guilty of omission it's the municipality.

Guy wires are almost as dangerous as fences.

They have killed many snowmobilers.

*** I haven't tried night snowmobiling yet. Obviously it can't be as safe as day operation. What is the biggest hazard?**

* The lowered visibility is the problem. A lot of clubs have a golden rule for night driving - never break a new trail in the dark. Travel only over familiar ground. Then you are not likely to run into a fence or take off from a snowbank you can't see properly.

*** I parked my machine near the ventilation fan of a restaurant kitchen. The condensation caused my throttle to stick and almost wrecked me. How about that?**

* Thanks for the warning of a hazardous situation. Avoid restaurant kitchen ventilation systems.

At some time or another almost every snowmobiler faces the possibility of his throttle cable freezing with the engine running wide open.

Anticipate it. Always be ready to turn off the key or pull out the choke.

*** I read accident statistics which say most fatal accidents are caused by snowmobiles colliding with cars. Why is this?**

* There are still many places were snowmobiles are not banned from highways.

They may be an essential part of winter transportation in back country areas. But, certainly, snowmobiles and automobiles don't mix.

Snow vehicles have great difficulty stopping on the icy or tire-packed snow-covered surface of a road. Stay off highways.

HALIBURTON WINTER CARNIVAL QUEEN CONTEST

This year the Haliburton Rotary Club is also offering girls who do not attend the secondary school the opportunity to participate in the Winter Carnival Queen Contest. Any young lady who wishes to participate should submit an entry form no later than January 28, 1975.

On the night of January 30, 1975 the judges will select from the entries one person who on February 21st will compete with the winners from the secondary school contest. The four people chosen by January 30th will each be assigned to one of the following stores - Bernstein's, Cox's Apparel, Pine Shop, Pollards - and at the Rotary Club's expense will be allowed to chose a sports outfit. These outfits will be worn at the time of final judging for the Carnival Queen on February 21st. Contestants will be judged on beauty, talent and poise. The Queen and Princesses are expected to take part in other activities throughout the Carnival and will be the recipients of other gifts.
